BARTON CREEK
RESORT & SPA.®

TEXAS

Here in the Texas Hill Country, the land is as bold as it is beautiful. Pleasures sought are pleasures found. Life is somehow livelier. And no resort embodies that inimitable Austin spirit more than Barton Creek Resort & Spa®.

Like Barton Creek, every resort in the KSL collection is a true American classic, from its distinctive design to its carefree nature. At each you'll find relaxation on a grand scale, with some of the most unforgettable golf, spa and ski experiences in the world.

But our greatest attribute is our people. From the moment you arrive, your every need is attended to with effortless skill and genuine hospitality. It's all part of our commitment to make every aspect of your stay memorable and rewarding.

At Barton Creek, you'll find endless ways to fill your days. Golf on four of the finest courses around. Indulge in a pampering massage or challenge a companion to a game of tennis. And as the sun sets over the hills, enjoy Four-Diamond dining or head downtown for a taste of Austin's legendary music scene. Then retreat to the luxury of a spacious guest room or Texas-sized suite, and let your dreams take flight.

AN EXTRAORDINARY RESORT THAT'S EXTRAORDINARILY AUSTIN

Rising above 4,000 acres of glorious Hill Country is a resort with a spirit as vast as Texas and as vibrant as downtown Austin, just minutes away. A resort where the welcome is warm, rewards are rich, and natural beauty abounds. Legends are born here, from four of Texas' top-rated golf courses to award-winning dining. And a stay here often inspires our guests to create a few legends of their own.

Barton Creek Resort & Spa® is that rare place that lets you define luxury – whether it's one of our distinctive spa services or a perfect Peach Margarita enjoyed poolside. It's a place that sets you at ease at the first hello. A place that encourages you to let your dreams – and your expectations – soar. And if you sense a bit of swagger in that, it's just part of the extraordinarily Austin spirit of Barton Creek.

TEST YOUR GAME

Four championship designs by masters of the game. Layouts that showcase the rugged beauty of the Texas Hill Country in every limestone cliff and creek as they challenge golfers of all abilities. A Golf Academy and a Callaway® Performance Center that promise to shave strokes off your game. Golf at Barton Creek is five-star golf in the Lone Star State.

The signature Fazio Foothills and its companion Fazio Canyons are consistently ranked as the top two resort courses in Texas. The traditional links style of the Crenshaw Cliffside seems carved out of the natural terrain, while just 25 minutes from the resort, Palmer Lakeside beckons with its breathtaking views of Lake Travis.

EXPAND YOUR HORIZONS

One day at Barton Creek and you'll never approach free time in quite the same way. Here, opportunities for diversion are limited only by your desire. Play tennis on 11 lighted courts. Work out in the fitness center or take a jog on the indoor running track. Enjoy a close encounter with a deer along our nature trail. Or, dive into our outdoor pool and bask in the Hill Country views. And for the young ones, there's miniature golf and a fun-filled Kid's Club.

Beyond the resort, Austin and the surrounding Hill Country abound with recreational delights. There are parks and miles of hiking and biking trails to explore. Museums to educate and delight. Boating and swimming at nearby Barton Springs. And when night falls, the exciting restaurants and legendary music scene of downtown Austin come to life.

STREAMLINING BALANCE

Quiet the mind, heal the body, renew the spirit. Three springs meet at Barton Creek Resort, forming a powerful synergy of balance and wellness. We've taken advantage of the flowing waters and transformed them into a retreat like no other. Let the Hill Country surround and nourish you.

For world-class renewal with a unique Austin accent, there's no place like the Three Springs Spa™. Here, imaginative treatments like the Grape Seed Body Scrub are offered alongside time-honored classics in a menu that leaves no need unmet.

EXCITE YOUR SENSES

Bold flavors are matched by breathtaking views at the acclaimed Hill Country Dining Room. Savor the flavors of this steakhouse menu and toast your good fortune with a fine vintage from our wine cellar, honored with Wine Spectator's Award of Excellence.

If the mood calls for a more casual setting, the 8212 Wine Bar & Grill® is the place for a quick bite or casual family meal. Tally the day's golf score over a local brew and a game of pool at Barton's Lounge™. Or enjoy a quiet night in, and allow room service to bring the best of Barton Creek to you.

DARE TO DREAM

Delight in your own private Hill Country view in the luxury of our guest rooms and Texas-sized suites. All are handsomely appointed with every modern comfort, including flat-screen televisions with in-room movies and Nintendo® games. Refreshment centers are amply stocked and desks are equipped with high-speed Internet access.

But at the end of the day, it's about a good night's sleep. So slip in between the sheets of one of our sumptuously comfortable beds, with layers of inviting linens and plush pillows, and allow Barton Creek to ease your path to dreamland.
